

18 March 2020

Dear Genesis Football Families,

As you are all aware, Genesis Christian College and Genesis Sport & Aquatics have been monitoring the Coronavirus pandemic sweeping across Australia. However, as we are a part of a school-run program we are fortunately permitted to stay open. Additionally, the College has advised that we are able to continue all training sessions.

In saying this though, we will be taking every precautionary step that we can to ensure the safety of our players and of the wider community.

For the remainder of the Term at least, the following procedures will take place:

- Our sessions will be based around individual skills such as passing, dribbling and shooting to minimise contact between players
- There will be ZERO contact between players at these sessions – this includes before and after training
- Players will be spaced out by 1.5m when lining up at the start and end of trainings
- No sharing of personal items under any circumstances – this includes water bottles, towels, etc.
- Extra supervision will take place to ensure players are following our zero-contact policy

All advice provided by Genesis Christian College and Genesis Sport & Aquatics is still in place – mainly if your child is not feeling well please DO NOT bring them to training. This is for their safety as well as the safety of the wider community. We also have sanitiser located inside the gym for players and parents/carers who come and watch trainings, as well as soap in all GSA bathrooms. We are going through unprecedented times, so please take extra precautions when possible.

These trainings are OPTIONAL – if you are not comfortable with your child/ren attending we 100% understand. At this point in time, games will still be starting on the 2nd May, however if this changes we will let you know.

If you have any questions and/or concerns, please do not hesitate to contact either myself (0466 983 463) or community.health@genesis.qld.edu.au for more information. We will be providing updates on the situation when new developments arise.

Kind regards,

Chris Reynolds
Football Coordinator
