

20 March 2020

Dear Parents/Carers

Genesis Sport and Aquatics will continue to remain open to deliver Learn to Swim Lessons; however, we will be putting into action a few operational changes to keep our community as safe as possible.

**These actions include:**

- Reinforcing that children who are unwell must stay at home and miss their lesson.
- A parent/carer is encouraged to be the only attendant with their child. If possible, please leave other siblings or parents at home.
- Parents/Carers are asked to keep 1-2 metres away from each other
- Parents/Carers are asked to leave the facility immediately after their child's lessons have finished. Please take care of showering and clothing at home or away from the Swim School
- Unless in a Baby or Toddler class, parents are asked to not enter the Learn to Swim enclosure. There will be staff on hand to direct your child to the appropriate class.
- Hand sanitiser is provided near entrances; please use prior to lessons
- Stamps and Stamp Cards will be put away until further notice.

If you have any questions, please don't hesitate to contact us.

Kind regards

Genesis Sport & Aquatics Team
