

24 March 2020

Dear Genesis Sport & Aquatic Families,

Re: Wet Weather Plan

For all our ongoing outdoor services (Football, Tennis & Gym Kids classes) that have the potential of being affected by wet weather; we will be instigating the following procedure:

- Children will remain in our care and will be supervised in the undercover sports centre during their regular rostered session until parents arrive to collect their children.
- Please be aware to ensure we will follow Government agency guidelines we will not be able to run physical activity in this instance.
- We will ensure social distancing measures are in place for the period.

Kind regards

GSA Management.
