

## Our Learn to Swim kids are hiring!

We asked our youngest Genesis swimmers who their ideal swimming teacher would be, and they came up with this impressive list:

Be kind and caring.

Make swimming fun!

Be happy and bubbly! (We feel inspired by this teacher!)

Tell me, show me, help me!

Don't be afraid of a splash (or two!).

Be accepting of all our unique and different personalities and needs.

Help us to feel safe when we feel a bit scared.

Encourage us to do our best.

Know lots of important things to help us learn - like monkeys, streamlines, big arms, kicking and breathing.

Enjoy your work mates and being part of a team.

Teach us how to stay safe in and around swimming pools.

### We are seeking:

Varying casual shifts in school hours; two locations Kallangur and Bray Park.

LTS Teacher with the Baby and Toddler extension

LTS – School Swimming Instructor (Term 3 and Term 4)
